

SUMMER 2019

Mansfield Public Schools, with the generous sponsorship of HarborOne Bank is proud to present a summer program full of exciting courses for children in grades K-8.

MANSFIELD'S SUMMER INSTITUTE:

Our program runs from 9AM to 12 Noon, Monday through Thursday. All courses consist of a three hour class per day for four days. At the end of each day, the instructor will accompany your child outside the school and wait with them until a parent or guardian arrives for a prompt pick-up.

YOU DO NOT HAVE TO BE A MANSFIELD RESIDENT TO REGISTER.

LOCATION:

This year we are happy to be based at the Jordan Jackson School with some courses being held at the Robinson Elementary School, Qualter's Middle School. Outdoor courses will be assigned an indoor location to meet, rest and get out of the sun and in the event of rain. Look for our banners, course room assignments posters and our friendly staff members to guide you on your first day of class.

SESSION DATES:

- *Session One: July 1,2,3 NO THURSDAY
- *Session Two: July 8,9,10,11
- *Session Three: July 15,16,17,18
- *Session Four: July 22,23,24,25
- *Session Five: July 29,30,31 Aug. 1

COST:

**Session one courses are \$82.50
All other sessions are \$110.00.**

GRADE LEVELS:

Please make note of the grade level indicated after each course name. It reflects the grade your child will be entering in September 2019.

WHAT TO BRING:

Children will need comfortable "play clothes", sturdy shoes, a snack and a drink. It is a good idea to come with sunscreen and bug spray already applied if your child will be outdoors. Check the catalog for any special equipment or supplies needed for your individual courses.

QUESTIONS:

Please call Shawna Leary, Director in the C.H.A.M.P.S. office at 1.508.261.7539.

HOW TO REGISTER:

- * Registration forms are accepted by mail or in person to
C.H.A.M.P.S. Jordan Jackson School
255 East Street
Mansfield, MA 02048
 - * Complete a separate registration and medical form for each child you are enrolling.
 - * **If you are not a Mansfield resident, please send the 2 forms in this catalog PLUS a copy of your child's physical form including immunizations.**
 - * Include a second choice for each session your child is registering for.
 - * Full payment **MUST** accompany your registration.
 - * **MAKE CHECKS PAYABLE TO : TOWN OF MANSFIELD**
 - * If your child wants to attend a course with a friend, please send both their registration and medical forms and payments in the same envelope.
 - * **ALL COURSES UNTIL MAY 31 COST \$110.**
 - * **BEGINNING JUNE 1, ALL COURSES ARE \$120**
 - * Confirmations will be mailed out during the first few weeks in June.
 - * Refund requests will only be honored prior to JUNE 1 minus a \$10 processing fee.
- NO REFUNDS will be honored after this date.**
Refund processing may take approximately 4-6 weeks.

EXTENDED HOURS:

Again this summer, we are pleased to offer extended day care through our "SUMMER OF C.H.A.M.P.S." program. We offer the following extended hours for Mansfield Summer Institute participants for all 5 sessions in the air- conditioned Jordan Jackson cafeteria:
Mon - Thurs 7am -9am \$50/session
12pm - 6pm \$125/session
The extended day program is staffed with a Coordinator, trained in CPR and First Aid and friendly, experienced counselors.
We also offer full childcare during the month of August.

TO REGISTER FOR THE EXTENDED DAY PROGRAM, PLEASE CALL THE CHAMPS OFFICE AT 1.508.261.7539 FOR REGISTRATION FORMS.

Creative Arts

101 POKEMON PLAYGROUND

Caitlin Troy

Session 1,5

Grades 4,5,6,7,8

Pokémon Playground is back for the best year ever! Pokémon art activities, games and tournaments await Pokémon masters, old and new! Come and join the fun! All Pokémon trainees are welcome. No experience needed. Trainers are welcome to bring their cards and videogames for trading and battles.

102 NAILED IT! HOLIDAZE CHALLENGE

Dawn Low

Session 4,5

Grades 4,5,6

NEW

Are you a fan of the Netflix show “NAILED IT?” Join us for a fun filled week of confections, crafts and laughs as you work in a team to recreate holiday themed food and decorations. Learn a new skill and then use it to be the winning team to “NAIL IT!”

103 LITTLE PET SHOP

Marcee Giacoppo

Session 1,2

Grades K,1,2,3

Are you interested in owning your own pet? In this class, we will learn the responsibilities of taking care of a pet. We will decorate our own pet puppy and make him/her a leash. On the last day, you can bring in your favorite stuffed animal for our PET PARADE!

104 L.O.L. DOLLS

Tammi Kassler

Session 3

Grades K,1,2

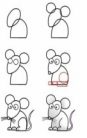

Do you have fun playing with your L.O.L. Dolls? If so, then this is the class for you. We will have a fun time making L.O.L. themed crafts. Some examples are a L.O.L pencil case that can hold all your L.O.L dolls and pencils, a L.O.L center-piece for your room and an L.O.L. beach ball. You will get to play L.O.L. games (an example is Pin the Glasses on Bon Bon) and learn how to draw some of the dolls. Every day, feel free to bring your L.O.L. dolls to play with.

105 DRAWING EXPLORATIONS

Amanda Sylvester Faherty

Session 2,3

Grades 5,6,7,8

In this class, you will learn about different drawing techniques ranging from realistic to abstract. We will learn techniques and tricks for different drawing media and styles. Daily topics include observational drawing, drawing/portraits and abstraction and cartooning

106 AMERICAN GIRL CLUB

Erin Cogan

Session 1,3,4

Grades 2,3,4,5

Do you love American Girl Dolls? If so, then this class is for you! Come bring your American Girl doll for a week packed with fun. We will make all new crafts for you and your doll and end the week with an American Girl Picnic! So, grab your doll and come join the American Girl Club!

107 HALLOWEEN IN JULY

Caitlin Troy

Session 2

Grades 1,2,3,4

Who says Halloween has to be in October? Join the fun with HALLOWEEN IN JULY! You'll play Halloween games, share spooky stories and make some amazing decorations! You will be able to dress up for a fantastic Halloween party!

108 FEELING' CRAFTY

Amy Johnson

Session 1,2,3,4,5

Grades 3,4,5

Do you like to do crafts? Do you like to listen to music? Well if you do this class is for you! We will be listening and talking about how music makes us feel and the colors we can associate with those feelings. So be sure to pick this class if you are FEELIN' CRAFTY!

109 POKEMON TRAINING CAMP

Dawn Low

Session 2, 3

Grades 1,2,3

Share your love of all things Pokémon with other Pokémon fans! We will make crafts, play games and learn more about Pokémon universe. Whether you collect cards, play Pokémon Go or just enjoy the adventures of Ash Ketchum, you will have loads of fun in the Pokémon Training Camp!

110 SCRAPBOOKING 101

Kelly Esposito

Session 3

Grades 4,5

Do you love looking through your old pictures and wish they were all in one spot? Then come learn how to make a fun and creative scrapbook all about you! Scrapbook your favorite memories, vacations and school activities from over the years. Learn how to decorate and design your own scrapbook pages and let your memories last forever! Bring 15-25 pictures and let the scrapbooking begin!

111 EXPLORING MO WILLEMS HYSTERICAL BOOKS

Kelly Esposito

Session 2, 4

Grades K,1,2

Do you love Don't Let the Pigeon Stay Up Late and Knuffle Bunny? Then you will love this camp. We will read books by Mo Willems and do some fun activities and even go on a scavenger hunt! If you are ready to have a good time, then make sure you sign up for this class!

112 GARDEN GROUP

Alyssa Kelley

Session 1,2,3

Grades K,1,2

Session 4,5

Grades 4,5

CALLING ALL NATURE LOVERS! Would you like a chance to plant your very own seedlings that you will take home and watch grow for the whole summer? Do you enjoy spending time outside and doing crafts? If you do, the GARDEN GROUP is the perfect class for you! Join us in planting seeds, caring for the outdoor gardens of the Robinson and Jordan Jackson Elementary Schools, decorating flower pots, creating terrariums and so much more! Come and lets have fun in the sun!

113 DISNEYMANIA

Tammi Kassler

Session 1

Grades K,1,2

Do you like to sing "LET IT GO?" Can you name all of the Disney Princesses? Is Zootopia your favorite movie or are you a Pixar fan? If you answered yes to these questions, then this class is for you! We will make crafts, perform science experiments, make a candy car, play games and have trivia to go along with all the Disney movies. So COME BE OUR GUEST as we make frozen slime, have a Hula Dance, find Nemo and so much more! Feel free to dress up as your favorite character!

114 SHOPKINS

Tammi Kassler

Session 4, 5

Grades K,1,2

Do you know who Kooky Cookie, d'lish donut, Cheeky Chocolate and Polly Polish are? Then you are a true Shopkin Fan! Come and join us for a fun week filled with crafts, games and food all based on the Shopkin theme. Some of the activities will be to make an edible Polly polish, shopkins bottle cap necklace and try to get d'lish donut off a string. Feel Free to bring a few of your Shopkins to play with just make sure they are labeled!

115 INTRO TO WATERCOLORS

Amanda Sylvester Faherty

Session 1

Grades 5,6,7,8

During this class, you will explore a variety of traditional and abstract watercolor techniques. Watercolor is fun and vibrant medium! We will create paintings in different styles and sizes. So grab a friend and enjoy learning something new together!

116 GIRLS JUST WANT TO HAVE FUN

Jennifer Martinelli Rybicki

Session 2,3,4

Grades 3,4,5

Grab a friend and sign up for GIRLS JUST WANT TO HAVE FUN! During this week, you'll be able to create an assortment of friendship inspired crafts and fun such as painting cactus pots, room decor and tie-dying tee-shirts. Come in your PJ's for "sleepover" day where we will create dream catchers, make slime and delicious treats. We'll end the week with a dance party and karaoke You'll be sure to have a blast this week with your new BESTIES!

117 PIRATE ADVENTURE

Susan Rivard

Session 3,4

Grades K,1,2,3

AHOY MATEYS! Let's set sail for a fun Pirate Adventure! We will make Pirate costumes, build ships out of legos, explore for treasure, eat pirate snacks and much more. Join Mrs. Arrr, for this fun filled week of Pirate Adventure.

118 MAKING ART WITH THE SUN

Trice Megginson

Session 4, 5

Grades 5,6,7,8

Participants in this class will learn how to make "Sun Prints" also know as Cyanotypes. You will combine modern digital technology with the cyanotype process that was developed in the 19th century. We will be making photograms, digital negatives and printing on paper and non-traditional substances. We will be working outside a lot, so make sure you have your sunscreen! So grab a friend and come learn historical techniques with a modern twist!

119 HARRY POTTER ENTHUSIASTS

Nicole Tremblay

Session 1

Grade 4,5,6,7

Congratulations! Your Hogwarts acceptance letter has been delivered to 4 Privet Drive! For the next week, you are invited to spend your time making wands, potions, Quidditch and more. Ending the week with a Marauder's map scavenger hunt you will be living in your own Hogwarts castle.

120 PRETTY PRETTY PRINCESS

Sheley Boen

Session 5

Grades K,1,2

CALLING ALL PRINCESSES! It's your chance to attend the Royal Ball! During this week, we'll design our own princess gown, make Princess slime, play Freeze Dance to Disney songs and have a Royal Tea Party....all before the clock strikes 12! Sign up for a week for all of your magical dreams to come true!

121 HARRY POTTER & THE MAGIC

WEEK

Michelle Fidler

Session 1,2,3,4

Grades 3,4,5

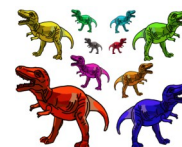

"Mr., and Mrs. Dursley of Number 4 Privet Drive were proud to say that they were perfectly normal, thank you very much" (Rowling, page 1). But their lives would be turned upside down when Harry Potter was dropped off on their doorstep. Come and experience the world of Harry Potter by getting sorted into one of the four Hogwarts houses, making wands, making spell books, decorating cauldron cakes and so much more. Harry Potter fans, new and old, are more than welcome to join in on this fun!

122 DINOSAURS ROCK!

Susan Rivard

Session 1,2

Grades K,1,2

DINOSAURS ROCK will transform you to a time when dinosaurs ruled the Earth. Enter this wonderful world and create dinosaur fossils, make a dino treat and become a Paleontologist by digging for dinosaurs. Join me for this fun new class...because DINOSUARS ROCK!

123 TROLLS, RAINBOWS & MY LITTLE PONY

Tammi Kassler

Session 2

Grades K,1,2

Do you love the movie TROLLS, My Little Pony or Rainbows? Then this is the class for you! Our week will be filled with Rainbows, Trolls and My Little Pony activities. We will make Troll headbands, Troll pencils and a Poppy Troll puppet. Let's design and make My Little Pony masks and tails to wear. We will make a beautiful felt rainbow scarf and a rainbow mobile. It will be so much fun to enjoy being Rainbow Chefs and create Rainbow marshmallow kabobs. We will also play a few Minute to Win It games based on our theme. Feel free to bring in a few of your my Little Ponies and/or Troll figurines to play with.(Labeled please)

Integrated Arts & STEM

124 GOOGLE-PALOOZA

Rayna Freedman

Session 1 Grade 4
Session 4 Grade 5
Session 5 Grade 6

Become a google expert in a few short days! You will learn the magic of various Google tools! You will create a slide-show, a website and discover amazing map tools and more! You will return to school as a GOOGLE WIZARD in the Fall!

125 PHOTOGRAPHY

Trice Megginson

Session 2,3 Grades 5,6,7,8

Participants for this class will need to bring a digital camera or smartphone each day to take photos. In this class, you will learn the basics of photography along with different photographic styles such as landscapes/nature and people/portraits, as well as basic editing techniques. You will also experiment with light and try your hand at using a GREEN SCREEN. We will be going outside to take pictures, weather permitting. So come and have fun making pictures this summer!

126 JAPAN—KAWAII, GAMES & FOOD

Suzanne Peavey

Grades 4,5,6

Get ready for three fun filled days with fabulous tween activities from Japan. Swedish fish, sushi, Japanese game show events, origami/crafts, manga, festivals and lots more as we explore Japanese youth culture through games, crafts and treats!

127 SECRET AGENT ACADEMY

Michelle Sekora

Session 1,2,3,4,5 Grades 2,3,4,5

We are looking for the best of the best recruits to join the SECRET AGENT ACADEMY. In this “training” session, the SAA will train you to create a secret alphabet, learn basic map skills and compass skills. You will also learn how to go through a “laser” security system. The SAA will teach new recruits to decode secret messages. Each morning, the recruits will need to decode the mission for that day. Do you have what it takes to be a SECRET AGENT?

THIS CLASS IS LIMITED TO 10 STUDENTS EACH SESSION.

128 STEP UP TO 3RD GRADE

Amy LePage

Session 1,2,3,4,5 Grade 3

Get ready to STEP UP to 3rd Grade with Ms. LePage in this fun class! Miss LePage is one of Jordan Jackson’s 3rd grade teachers. Touring the building, exploring the Computer Lab and learning about life at Jordan Jackson will be just a few of the many activities we will do together. If you love Art, Math, Reading or Science, this class is for you! There will be guest speakers and a PIZZA PARTY! On the last day, we will invite parents at the end of the class for a question and answer session. **THIS CLASS IS A MUST FOR ALL 3RD GRADERS WHO WANT TO GET ACQUAINTED AND FEEL COMFORTABLE WITH 3RD GRADE AT JORDAN JACKSON!**

Sign up early, as this class is sure to fill!

129 MY OWN MAGAZINE

Caitlin Troy

Session 3, 4 Grades 4,5,6,7,8

Do you love writing stories? Is your passion poetry? Have you ever wondered how to publish a book? In My own Magazine, you will have the opportunity to write original works and learn the publishing process as we put together a magazine created by you!

130 DIGITAL PHOTOGRAPHY

Amanda Sylvester Faherty

Session 4, 5 Grades 5,6,7,8

Participants for this class will need to bring a digital camera or smartphone to take photos. In this class, we will explore different photography and editing techniques. We will be going outside, weather permitting so wear comfortable shoes and don't forget a hat and sunglasses!

131 FUN WITH S.T.E.A.M.

Jennifer Caplan

Session 2, 3 Grade 2,3

Have you ever wondered why some things float and other things sink? Do you like to build and create and explore? Then this fun filled STEAM class is for you! We will build bridges, do experiments and create with clay during this week of fun exploration!

132 A S.T.E.A.M.y SUMMER

Shawn O'Neill

Session 1,2,3,4,5

Grades 1,2,3

Do you love all things LEGO? Have you ever wondered how to make a robot work? Do you love mixing things together to see what happens? Then this class is for you! Each day, we will focus on one element of S.T.E.A.M.....Science, Technology, Engineering, Art, Math. With a special project on the last day to tie everything together! So come and have a S.T.E.A.M.y Summer!

133 FRENCH CLUB

Beth Donovan and Nora McNeilly

Session 1,2,3,4

Grades 2,3,4,5,6

Something for everyone in this popular international experience! You will make a different French food each day, like crepes (OOH LA LA), croissants, mousse au chocolate and citron presse (you get to smash ice and squeeze your own lemons!) We will sing French songs and you will even be able to speak some French too! You can impress your friends by telling them the what the weather is like, the colors, the ABC's, counting and some animals, all in French. You will do a bike time trial like in the Tour de France, play "boules", paint like Monet and make an Eiffel Tower Craft.

134 GEOCACHING

Nate Shockley

Sessions 2, 4

Grades 3,4,5,6

Come and join Mr. Shockley, a Taunton 6th grade teacher, for this fun, new, STEM class this summer. This class will be a fun introduction to the world of GEOCACHING. You will learn how to read maps, make your own maps all through the outdoor activity of geocaching. All through an interactive high-tech treasure hunt. This class is a great way to get you moving and using technology. We will read maps and discover hidden caches hidden around the school campus using a tablet and geocaching app. So grab a friend and learn something new this summer.

THIS CLASS IS LIMITED TO 10 STUDENTS!

135 FABULOUS 1ST GRADE READING FUN

Erica Ford

Session 4, 5

Grade 1

Come and join Robinson School's kindergarten teacher, Erica Ford for this FUN INTERACTIVE READING CLASS! Each day, we will listen to songs, read alouds and make a reading game that the children will take home. We will be making the game MOOSE! Each child will also make their own squishy board to help learn new first grade high frequency words. This is a fun, educational class to help prepare your child for first grade. Sign up early as this class will fill up quickly!

136 KICK OFF TO KINDERGARTEN!

TBA

Session 1,2,3,4,5

Grade K

Welcome to Robinson, all kindergarteners! Grab your backpack, a snack and get ready to learn all about your exciting kindergarten day. You could be in the dramatic play area during free play or maybe color or do a puzzle with a friend. We will all come together for circle time to discuss our day and our center time "jobs." Be creative in our Art area—cut, paste, paint, water color. Each day, we will tour a different area of the school plus visit the very popular playground, Wonderworks.

Class size is limited to 12 each session, so sign up early!

137 THE BABYSITTER'S CLUB

Sheley Boen

Session 4

Grades 5,6,7,8

Come have some fun and learn the tricks of the trade with Babysitting. This class will prepare you to be better babysitters. Topics include how to provide and care for children of many ages, how to stay safe, what to do in an emergency, how to choose age-appropriate activities and how to recognize and handle a variety of behaviors. You will also learn the basics of starting your own babysitting business, negotiating payment, publicizing your talents and networking.

Kitchen Adventures

138 DESSERT WARS

Colleen O'Neil

Session 2, 4, 5

Grades 4,5,6

Have you ever seen the show CUPCAKE WARS? How would you like to compete against your friends in a series of baking and decorating competitions in DESSERT WARS! Your team will be given a different dessert challenge and participate in trivia rounds to determine your mystery ingredient. The days will end with judging of everyone's creations and making your own recipe books.

139 CUPCAKES & CRAFTS

Sheley Boen

Session 1, 2, 3

Grades 2,3,4

Do you like doing craft projects? Decorating cupcakes? Then this is the class for you! Each day, we will have a different theme such as the jungle, animals, under the sea and insects where you will decorate cool cupcakes and create amazing crafts.

CLASSES FILL UP QUICKLY! BE SURE TO SIGN UP EARLY AS PRICES INCREASE AFTER MAY 31ST!

NEW CAMPS COMING TO MANSFIELD THIS SUMMER

CAMP INVENTION is a launch pad for your imagination! You will be presented with fun, hands-on challenges that encourage creative problem solving, teamwork, entrepreneurship and innovation. This Camp is being held at the Jordan Jackson School ! This camp runs from Monday, August 5th through Friday, August 9th from 9AM to 3PM. This camp is for students entering grade 1 through grade 6. **Cost: \$275 Before and after care is available**– Call the Champs office. For more info and registration go to www.campinvention.org or call 1.508.261.7539

CIRCUIT MAKERS 101 : Children in grades 1,2,3 will gain experience creating their own electronics designing light-up greeting cards, electronic games and more.

HANDS ON ELECTRONICS : Children in grades 3,4,5,6 will experiment with the fundamentals of electronics and circuitry and will design their own interactive and programmable devices.

Both classes will run Monday-Friday July 29—Aug 2 at Jordan Jackson School.

Circuit Makers 101 9AM-12PM Cost: \$175

Hands on Electronics 1PM-4PM. Cost: \$175

Call the CHAMPS office for more information 1.508.261.7539.

Music, Drama & Dance

140 READER'S THEATER

Nicole Tremblay

Session 2

Grades 2,3,4

Do you love being on stage? Do you like dressing up and acting like your favorite book character? Then you will LOVE Reader's Theater. Come discover the excitement of being on stage and playing different parts! Complete with costumes and props, you will have a blast.

141 SHOW CHOIR

Stephen Twiraga

Session 4,5

Grades 5,6,7,8

Show Choir is combination of simultaneous singing and dancing. Students attending each session will learn vocal and choreography to 3-4 songs that will be performed on the final day of the session. Popular music and dance are studied, ranging from 1900's to the present. Vocal technique, music reading, choreography, rehearsal technique and performance discipline are developed in depth as members prepare for the performance at the end of the week

142 PERCUSSION CAMP

Laurie Pepicelli

Session 4

Grades 5,6,7,8

Everyone loves to drum! This camp will teach you how to play different percussion instruments including hand-drums, drum-set, mallets and marching percussion. All students are welcome...no experience necessary!

This class will be held at Mansfield high School in the Band room!

143 KIDDING AROUND YOGA

Kerry DeSista

Session 2

Grades K,1,2,3

Come join Miss Kerry from Kidding Around Yoga to learn yoga pose, meditation and breathing and have lots of fun! We will be singing, jogging, limbo-ing, dancing and playing games that are so much fun. Each day, we will make a different craft such as glitter jars, peace flags and lavender eye masks. On our last day, we will celebrate with Yoga Olympics!

***Sign up Early
to get the class
you want!***

Science

144 SPECTACULAR SCIENCE

Melissa Medeiros

Session 3,5
Session 2,4

Grades 1,2,3
Grades 2,3,4,5

Come join us for another great summer of Spectacular Science. We will make a different slime each day (magnetic, color changing, etc) and do STEM challenges in teams. (Popsicle stick catapults, cup towers, mazes, etc) We will also do science experiments each day that will amaze you! You won't want to miss this SPECTACULAR class!

145 EXCITEMENT WITH SCIENCE

Nicole Tremblay

Session 3,4

Grades 1,2,3

Do you like working with your hands to make amazing things happen? Then you will love spending time in EXCITEMENT WITH SCIENCE. We will work with slime, exploding volcanoes and more. You will have a great time discovering the Excitement of Science!

146 WOODWORKING

Meghan Ganshirt

Session 3,5

Grades 4,5,6,7,8

Do you like to work with your hands and create things from wood? In the class, you choose a project to make, such as a birdhouse, bat house, bookshelf, crate, a shelf with hooks, or any other small wooden project. Be ready to use hand tools such as, saws, hammers, clamps and screwdrivers. You'll learn how to use these tools appropriately as well as how to paint. At the end of the week, you will take your project home and put it to good use!

THIS CLASS IS LIMITED TO 8 STUDENTS.

147 SLIME-TASTIC

Erica Sears

Session 1,2,3,4,5

Grades 2,3,4,5

Come and let's have a slimtastic time! Each day, we will make 2 different slimes, like glossy and glow in the dark. We will experiment and explore different textures by adding materials like glitter, beads, pom poms and more!

148 WE ARE GOING ON A SAFARI

Marcee Giacoppo

Session 4,5

Grade K,1,2

Want to go on a Safari?, well you can! You will learn all about different safari animals. We will create art projects, make a safari snack treat and go on our own safari adventure. We will play jungle games, and at the end of the week, bring in a stuffed animal for our Animal Safari Dance party and Parade! So join us and let's go on a safari!

149 LET'S GO CAMPING

Marcee Giacoppo

Session 3

Grade K,1,2

Let's Go camping! This week we will learn all about camping! We will play camp games, go on a scavenger hunt, make camp crafts and even learn about animals in the wild. We will tell camp stories under our big tent. On our last day, we will have our own camp out and make a special camp snack!

150 CALLING ALL SCIENTISTS

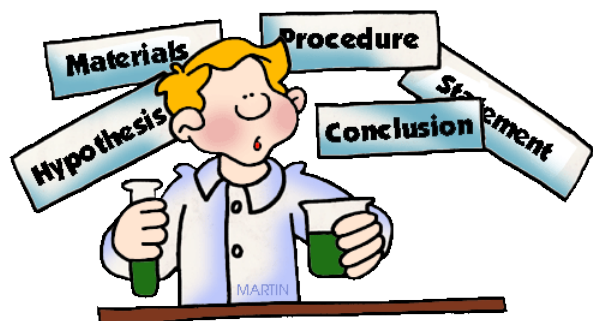

Susanne Taylor

Session 2,3

Grades 3,4,5

Do You like science? If yes, this is the class for you. We will do exciting experiments such as film canister rockets, crystal egg geodes, tornado in a bottle, make and take catapults and much more. So put on your lab coat and goggles and get ready for some serious fun!

phillipmartin.info

Games and Sports

151 ALL SPORT COMBO

Kevin Vartian

Session 1,2,3,4,5

Grades 4,5,6,7,8

A RETURNING FAVORITE!

Come join Mr. Vartian, Qualter's Middle School gym teacher, in ALL SPORT COMBO! Throughout the week, we will play many sports including soccer, speedball, home run derby, basketball, Frisbee and many more. We will have many challenges such as the Quarterback challenge. We will be inside the gym and outside on the play area. Come and join the fun and wear your sneakers and bring a water bottle.

152 LEGO MANIA

Jennifer and David Caplette

Session 1

Grades K,1,2

Session 2

Grades 3,4,5

Do you like to build? Do you like to design? Do you like playing with LEGOS? If you answered yes to any of these questions, then this is the class for you. All week long, we will be designing and building with LEGOS. In this class, we will create a stimulating hands-on learning experience with hands-on activities for science, technology, design, language and math. No building experience necessary....girls and boys are welcome to sign up. LEGOS will be provided and creations will be showcased for family and friends at the end of the week.

153 CHEER 101

Erin Cogan

Session 2,5

Grades K,1,2,3

Come and learn the sport of cheerleading from MHS VARSITY CHEER Coach. We will learn the basics of cheerleading and put all our skills in a routine. We will perform our routine for our family and friends in a show! So grab a friend and remember to bring a water bottle!

154 GYM CLASS WITH MR. PEP

Anthony Pepicelli

Session 1

Grade 1

Session 3

Grade 2

Session 4

Grade 3

Calling all Robinson students and kids in grades 1, 2 or 3! Mr. Pep wants you to join him for a week of games, activities, exercise and fun! We will play all our favorite games from gym class plus a few new surprises!!! So be sure to wear sneakers and bring a water bottle!

155 SURVIVOR - 2019

Tim Vigorito

Session 2,3,4

Grades 3,4,5,6,7

SURVIVOR 2019

Kids will learn life-time fitness and problem solving skills using "SURVIVOR" type challenges—Team and individual alike, kids will love learning STEM challenges as only SURVIVOR can provide!!!! OUTWIT, OUTLAST, OUTPLAY!!!

156 COACH BAYLISS' BASKETBALL

Matthew Bayliss

Session 1,2,3,4,5

Grades 3,4,5,6,7

Come down and join Coach Bayliss' Basketball for a week of fun! This is a great class for those who love to play basketball and want to become better players all at the same time. During the week, we will play warm-up games and activities such as Around the World, Knockout and 21 to get loose and ready for the day. Then each class will focus on learning about and working on each of the 4 main basketball skills: dribbling/ball handling, passing, shooting and defense/rebounding. Of course, each day would not be complete without some pick up games to model our skills and what we have learned. So remember your sneakers and water, and I will see you there!

157 FLOOR HOCKEY

Peter Conti

Session 2,3,4,5

Grades 4,5,6,7

What would another summer of Mansfield's Summer Institute be without Mr. Conti and his floor hockey class? No need to answer because he is back for our most popular class in this catalog. You will be working on various hockey skills such as shooting, passing, stick handling and goal tending. Round robin games will be played each day. There will be a championship tournament and skills competition on the last day with N.H.L. autographs and prizes. Boys and Girls are welcome to sign up!

158 ULTIMATE TEAM CHALLENGE

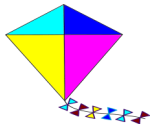

Wesley Vaughn

Session 4

Grades 4,5,6,7

Take your skills to the next level in this exciting new course. Everyday is full of new activities and there is something for everyone. Test your knowledge of popular movies, music and TV. Go head to head with your friends in football and hula hoops challenges. Compete in relays and other outdoor games. For a bigger test, you'll even compete against me! So come on out and take the ULTIMATE TEAM CHALLENGE!

EXTENDED CAMP HOURS

Again this summer, we are pleased to offer extended day care through our "SUMMER OF C.H.A.M.P.S." program. We offer the following extended hours for Mansfield Summer Institute participants for all 5 sessions in the air- conditioned Jordan Jackson cafeteria:
Mon - Thurs 7am -9am \$50/session AND 12pm - 6pm \$125/session

The extended day program is staffed with a Coordinator, trained in CPR and First Aid and friendly, experienced counselors. A variety of camp style activities, games and crafts will fill the afternoon with fun!

MIDDLE SCHOOL CLASSES

118 MAKING ART WITH THE SUN

Trice Megginson

Sessions 4,5

Grades 5,6,7,8

Participants in this class will learn HOW TO MAKE "Sun Prints" also know as Cyanotypes. You will combine modern digital technology with the cyanotype process that was developed in the 19th century. We will be making photograms, digital negatives and printing on paper and non-traditional substances. We will be working outside a lot, so make sure you have your sunscreen! So grab a friend and come learn historical technique with a modern twist!

159 JUMP START 6TH GRADE

QMS 6th Grade Teachers

Session 1,2,3,4,5

Grade 6

Attention incoming 6th graders! Want to get to know the 6th grade teachers, other students and the Qualters Middle School building before September? This is the class for you! You will be able to practice with a lock and locker, and play games to find your way around the building. We will do an interesting science experiment, go on scavenger hunts complete a fun "How To" and meet new 6th grade friends. Hope to see you this summer!

105 DRAWING EXPLORATION

Amanda Sylvester Faherty

Session 2, 3

Grades 5,6,7,8

In this class, you will learn about different drawing techniques ranging from realistic to abstract. We will learn techniques and tricks for different drawing media and styles. Daily topics include observational drawing, drawing/portraits and abstraction and cartooning

160 MARCHING BAND CAMP

Laurie Pepicelli

Session 3

Grades 7,8

Do you see the Mansfield High School marching band and think "How do they do that?" If so this class is for you! You will work with MHS musicians and learn the basics to perform in a marching band show. You will learn drill, memorize music and put on a show at the end of the week. **You must be a member of QMS band or color guard to participate in this class! This class will be held in the MHS cafeteria.**

144 PERCUSSION CAMP

Laurie Pepicelli

Session 4

Grades 5,6,7,8

Everyone loves to drum! This camp will teach you how to play different percussion instruments including hand-drums, drum-set, mallets and marching percussion. All students are welcome...no experience necessary! **This class will be held at Mansfield high School in the Band room!**

115 INTRO TO WATERCOLORS

Amanda Sylvester Faherty

Session 1

Grades 5,6,7,8

During this class, you will explore a variety of traditional and abstract watercolor techniques. Watercolor is fun and vibrant medium! We will create paintings in different styles and sizes. So grab a friend and enjoy learning something new together!

101 POKEMON PLAYGROUND

Caitlin Troy

Session 1,5

Grades 4,5,6,7,8

Pokémon Playground is back for the best year ever! Pokémon art activities, games and tournaments await Pokémon masters, old and new! Come and join the fun! All Pokémon trainees are welcome. No experience needed. Trainers are welcome to bring their cards and videogames for trading and battles.

130 DIGITAL PHOTOGRAPHY

Amanda Sylvester Faherty

Session 4,5

Grades 5,6,7,8

Participants for this class will need to bring a digital camera or smartphone to take photos. In this class, we will explore different photography and editing techniques. We will be going outside, weather permitting so wear comfortable shoes and don't forget a hat and sunglasses!

151 ALL SPORT COMBO

Kevin Vartian

Session 1,2,3,4,5

Grades 4,5,6,7,8

A RETURNING FAVORITE!

Come join Mr. Vartian in ALL SPORT COMBO! Throughout the week, we will play many sports including soccer, speedball, home run derby, basketball, Frisbee and many more. We will have many challenges such as the Quarterback challenge. We will be inside the gym and outside on the play area. Come and join the fun and wear your sneakers and bring a water bottle.

134 GEOCACHING

Nate Shockley

Session 2,4

Grades 3,4,5,6

Come and join Mr. Shockley, a Taunton 6th grade teacher, for this fun, new, STEM class this summer. This class will be a fun introduction to the world of GEOCACHING. You will learn how to read maps, make your own maps all through the outdoor activity of geocaching. All through an interactive high-tech treasure hunt. This class is a great way to get you moving and using technology. We will read maps and discover hidden caches hidden around the school campus using a tablet and geocaching app. So grab a friend and learn something new this summer.

THIS CLASS IS LIMITED TO 10 STUDENTS!

125 PHOTOGRAPHY

Trice Megginson

Session 2,3

Grades 5,6,7,8

Participants for this class will need to bring a digital camera or smartphone each day to take photos. In this class, you will learn the basics of photography along with different photographic styles such as landscapes/nature and people/portraits, as well as basic editing techniques. You will also experiment with light And try your hand at using a GREEN SCREEN. We will be going outside to take pictures, weather permitting. So come and have fun making pictures this summer!

129 MY OWN MAGAZINE

Caitlin Troy

Session 3,4

Grades 4,5,6,7,8

Do you love writing stories? Is your passion Poetry? Have you ever wondered how to publish a book? In My own magazine, you will have the opportunity to write original works and learn the publishing process as we put together a magazine created by you!

133 FRENCH CLUB

Beth Donovan and Nora McNeilly

Session 1,2,3,4

Grades 2,3,4,5,6

Something for everyone in this popular international experience! You will make a different French food each day, like crepes (OOH LA LA), croissants, mousse au chocolate and citron presse (you get to smash ice and squeeze your own lemons!) We will sing French songs and you will even be able to speak some French too! You can impress your friends by telling them the what the weather is like, the colors, the ABC's, counting and some animals, all in French. You will do a bike time trial like in the Tour de France, play "boules", paint like Monet and make an Eiffel Tower Craft. You'll beg your family to take you to Quebec after this class, so sign up now to start speaking French.

161 JAZZ CAMP

Laurie Pepicelli

Session 1

Grades 6,7,8

Calling all Jazz-cats! Spend the week playing some jazz tunes with fellow Mansfield musicians. We will practice a few pieces, work on our improv and put together a little concert at the end of the week for our family and friends. All instruments are welcome. Student must have prior experience playing their instrument. No prior experience with Jazz is necessary. Come on out and play! **This class will be held at QMS and is for experienced musicians only!**

157 FLOOR HOCKEY

Peter Conti

Session 2,3,4,5

Grades 4,5,6,7

What would another summer of Mansfield's Summer Institute be without Mr. Conti and his floor hockey class? No need to answer because he is back for our most popular class in this catalog. You will be working on various hockey skills such as shooting, passing, stick handling and goal tending. Round robin games will be played each day. There will be a championship tournament and skills competition on the last day with N.H.L. autographs and prizes. Boys and Girls are welcome to sign up!

PLEASE NOTE: ALL PARTICIPANTS MUST BRING A STICK WITH A PLASTIC BLADE, SAFETY GOGGLES AND A MOUTH GUARD TO PLAY!

137 THE BABYSITTER'S CLUB

Sheley Boen

Session 4

Grades 5,6,7,8

Come have some fun and learn the tricks of the trade with Babysitting. This class will prepare you to be better babysitters. Topics include how to provide and care for children of many ages, how to stay safe, what to do in an emergency, how to choose age-appropriate activities and how to recognize and handle a variety of behaviors. You will also learn the basics of starting your own babysitting business, negotiating payment, publicizing your talents and networking.

158 ULTIMATE TEAM CHALLENGE

Wesley Vaughn

Session 4

Grades 4,5,6,7,8

Take your skills to the next level in this exciting new course. Everyday is full of new activities and there is something for everyone. Test your knowledge of popular movies, music and TV. Go head to head with your friends in football and hula hoops challenges. Compete in relays and other outdoor games. For a bigger test, you'll even compete against me! So come on out and take the ULTIMATE TEAM CHALLENGE!

156 COACH BAYLISS' BASKETBALL

Matthew Bayliss

Session 1,2,3,4,5

Grades 3,4,5,6,7

Come down and join Coach Bayliss' Basketball for a week of fun! This is a great class for those who love to play basketball and want to become better players all at the same time. During the week, we will play warm-up games and activities such as Around the World, Knockout and 21 to get loose and ready for the day. Then each class will focus on learning about and working on each of the 4 main basketball skills: dribbling/ball handling, passing, shooting and defense/rebounding. Of course, each day would not be complete without some pick up games to model our skills and what we have learned. So remember your sneakers and water, and I will see you there!

155 SURVIVOR - 2019 - MANSFIELD

Tim Vigorito

Session 2,3,4

Grades 3,4,5,6,7

SURVIVOR 2019

Kids will learn life-time fitness and problem solving skills using "SURVIVOR" type challenges—Team and individual alike, kids will love learning STEM challenges as only SURVIVOR can provide!!!! OUTWIT, OUTLAST, OUTPLAY!!!

162 STRATEGY BOARD AND CARD GAMES

Steven Petrelli

Session 1,3,4,5

Grades 6,7,8

Discover tips and tricks as you learn some new card and board games. Enjoy an array of games that ask you to make the game board itself to games that change the rules as you play. Each day will introduce new games to play and at the end of the week, you can go back to some of your new favorites! So grab a friend and learn these new games together!!!

102 NAILED IT! HOLIDAZE CHALLENGE

Dawn Low

Session 4,5

Grades 4,5,6

Are you a fan of the Netflix show "NAILED IT?" Join us for a fun filled week of confections, crafts and laughs as you work in a team to recreate holiday themed food and decorations. Learn a new skill and then use it to be the winning team to "NAIL IT!"

146 WOODWORKING

Meghan Ganshirt

Session 3,5

Grades 4,5,6,7,8

Do you like to work with your hands and create things from wood? In the class, you choose a project to make, such as a birdhouse, bat house, bookshelf, crate, a shelf with hooks, or any other small wooden project. Be ready to use hand tools such as, saws, hammers, clamps and screwdrivers. You'll learn how to use these tools appropriately as well as how to paint. At the end of the week, you will take your project home and put it to good use!

THIS CLASS IS LIMITED TO 8 STUDENTS.

163 CREATIVE WRITING

Fiona O'Connor

Session 1,2,3

Grade 6,7,8

Do you enjoy creative writing? Do you bring a journal with you in case inspiration strikes? Have you ever wanted to be a writer when you grow up? This is the program for you! In our week, we will respond to multiple different questions and prompts that provoke thought. At the end of our time together, you will have a folder with your creative stories and tons of new ways to inspire creativity in your writing!

164 MAGIC, THE GATHERING CARD GAME

Steven Petrelli

Session 2

Grades 6,7,8

No pulling rabbits out of a hat or mysteriously producing "your card" this class will focus on MAGIC THE GATHERING, THE CARD GAME. New or experienced, this course will help you learn the game and improve upon your strengths and skills by playing the game. By the end of the week, you will be building your own decks which you will be able to take home to keep. So come and learn this new exciting card game!

124 GOOGLE-PALOOZA

Rayna Freedman

Session 1

Grade 4

Session 4

Grade 5

Session 5

Grade 6

Become a google expert in a few short days! You will learn the magic of various Google tools! You will create a slideshow, a website and discover amazing map tools and more! You will return to school as a GOOGLE WIZARD in the Fall!

141 SHOW CHOIR

Stephen Twiraga

Session 4,5

Grades 5,6,7,8

Show Choir is combination simultaneous singing and dancing. Students attending each session will learn vocal and choreography to 3-4 songs that will be performed on the final day of the session. Popular music and dance are studied, ranging from 1900's to the present. Vocal technique, music reading, choreography, rehearsal technique and performance discipline are developed in depth, as members prepare for the performance at the end of the week.

126 JAPAN—KAWAII, GAMES & FOOD

Suzanne Peavey

Session 1

Grades 4,5,6

Get ready for three fun filled days with fabulous tween activities from Japan. Swedish fish, sushi, Japanese game show events, origami/crafts, manga, festivals and lots more as we explore Japanese youth culture through games, crafts and treats!

HEARTSAVER CPR/AED

Are you going to be babysitting, working as a life guard, volunteering, or working with the public in other ways? Students who have been certified in CPR, typically get these jobs over those who do not. If you are not looking to work or volunteer, getting certified in CPR is still a great idea. Many students as young as 6th grade have saved lives by performing CPR on their friends and families. This 1 morning class is for students who would like to learn how to perform CPR. Students will learn adult, infant and child CPR as well as how to use an AED (Automatic Electronic Defibrillator). The cost of the class includes a book, CPR barrier, use of mannequins and an AED, and a certificate of completion. There is no exam for this course.

165 HeartSaver CPR/AED
Tammy M. Kirsch, R.N.
